AAGL OBSERVERSHIP PROGRAM

MICHAEL L. NIMAROFF, MD
Executive Director, Ob Gyn Service Line

Program Description

The nation's second-largest, non-profit, secular healthcare system, North Shore-LIJ delivers world-class clinical care throughout the New York metropolitan area, pioneering research at The Feinstein Institute for Medical Research and a visionary approach to medical education, highlighted by the Hofstra North Shore-LIJ School of Medicine. North Shore-LIJ cares for people at every stage of life at 15 hospitals, including nationally renowned children's and psychiatric hospitals, long-term care facilities and more than 200 ambulatory care centers throughout the region. The Department of Obstetrics & Gynecology at North Shore-LIJ has one of the largest training programs in the country with 42 residents, 3 maternal fetal medicine fellows, 2 urogynecologic fellows, and 2 minimally invasive gynecologic surgery fellows. We have a full time staff of 37, and 127 voluntary physicians at North Shore University Hospital in Manhasset, NY. The gynecologic surgical program at North Shore, Manhasset completes over 3000 gyn procedures annually including over 200 robotic & 1500 MIS procedures. The program was recently recognized as a Center of Excellence in Minimally Invasive Gyn Surgery by the AAGL. The physicians within the Division of Gynecology have been leaders in the field of MIS for nearly two decades and established one of the first robotic gyn surgery programs in the region.
