NORTH SHORE UNIVERSITY/HUNTINGTON HOSPITAL
MANHASSET, NEW YORK

MICHAEL L. NIMAROFF, MD
SVP/Executive Director, Ob Gyn Service Line

Program Description

The nation's second-largest, non-profit, secular healthcare system, Northwell Health delivers world-class clinical care throughout the New York metropolitan area, pioneering research at The Feinstein Institute for Medical Research and a visionary approach to medical education, highlighted by the Donald & Barbara Zucker School of Medicine at Hofstra Northwell. Northwell Health cares for people at every stage of life at 22 hospitals, including nationally renowned children's and psychiatric hospitals, long-term care facilities and more than 200 ambulatory care centers throughout the region. The Department of Obstetrics & Gynecology at Northwell has one of the largest training programs in the country with 42 residents, 3 urogynecologic fellows, 4 maternal fetal medicine fellows, 3 minimally invasive gynecologic surgery fellows, 1 gynecologic oncology fellow and 1 reproductive endocrinology and infertility fellow. We have a full time staff of 53, and 127 voluntary physicians at North Shore University Hospital in Manhasset, NY. The gynecologic surgical program at North Shore, Manhasset completes over 3000 gyn procedures annually including over 200 robotic & 1500 MIS procedures. The program has been recognized as a Center of Excellence in Minimally Invasive Gyn Surgery as well as a Center of Excellence in

Robotic Surgery by the AAGL. The physicians within the Division of Gynecology have been leaders in the field of MIS for over two decades and established one of the first robotic gyn surgery programs in the region.
