FACULTY

TWO YEAR PROGRAM

2-Year Program			
Optional Degrees: <input type="checkbox"/> MPH <input type="checkbox"/> MBA <input checked="" type="checkbox"/> MS <input type="checkbox"/> Other: <input type="checkbox"/> None			
Number of Faculty:			
	GYN Faculty: 5	UROGYN Faculty: 3	
	REI Faculty: 2	ONCOLOGY Faculty: 3	
	GU Faculty: 1	General Surgery Faculty: 1	
	Colorectal Faculty:	Other:	
Residency Program Affiliation: <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No			
Computer Simulation Center: <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No			
Training Labs:			
	<input checked="" type="checkbox"/> Cadaver lab	<input checked="" type="checkbox"/> Animal Lab	<input type="checkbox"/> None
	<input checked="" type="checkbox"/> Dry Lab	<input checked="" type="checkbox"/> Robotics	
Office Surgery: <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No			
Contract/Agreement Letter: <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No			
	Stipend PGY-5 or 6:	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No	
	Resident Teaching	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No	
	Benefit Package:	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No	
	OB obligation:	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No	If yes, please describe obligation. 2 calls per month
	Junior Faculty	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No	Attending Privileges <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
	Moonlighting:	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No	Non-compete clause: <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
	Malpractice:	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No	Meeting support: <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
	Malpractice tail coverage:	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No	Other coverage obligations- specify: No tail coverage needed as the fellow will have occurrence type insurance
Accept J1 & H1Visa applicants <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No			
Dedicated Research Hours: Hours/per week: 1 half day, 4 hours per week Hours/per month:			
Protected Academic: Hours/per week: 1 half day, 4 hours per week Hours/per month:			
Clinical Focus/Special Interest:			
	<input type="checkbox"/> Reproductive Surgery	<input type="checkbox"/> Oncology	
	<input checked="" type="checkbox"/> Endometriosis/Pelvic Pain	<input type="checkbox"/> Pelvic Reconstruction	
	<input checked="" type="checkbox"/> Robotic Surgery	<input type="checkbox"/> Pediatric/Adolescent	
	<input checked="" type="checkbox"/> Hysteroscopic Surgery	<input checked="" type="checkbox"/> Other: Myomectomy	

Description of Program:

The fellowship in Minimally Invasive Gynecologic Surgery at the Indiana University School of Medicine is a two-year comprehensive multidisciplinary program. The goal of the fellowship is to produce a competent, well-rounded, advanced gynecologic endoscopic surgeon that may pursue a career in minimally invasive gynecologic surgery (MIGS) in many different capacities. Surgical caseload will run the gamut from office-based hysteroscopy to advanced laparoscopic and robotic surgery. The fellow will work side by side with the MIGS faculty in the office and operating room in multiple venues (academia, private practice, county hospital, and VA Medical Center). The fellow will participate in the preoperative, intraoperative, and postoperative care of the patients. The fellow will experience continued ongoing supervision by the MIGS faculty during the clinical months with a graduated level of responsibility. Thus, by the completion of the fellowship the fellow will be a competent advanced MIGS specialist capable of operating independently and acting in a consultant role.

Fellows will rotate off service during their two years. These off-service rotations will include urogynecology/urology, gynecologic/oncology and/or general surgery. They will also have the opportunity to train in a state of the art simulation center utilizing virtual reality simulators. Cadaveric dissections as well as porcine laboratories will be part of the curriculum. Teaching responsibilities will include one Grand Rounds presentation, assisting with the gynecologic surgical conference and FLS training for our forty Ob/Gyn residents, and assisting with the training of practitioners interested in learning new MIGS techniques.

The fellow will have a junior Faculty appointment within the Department of Obstetrics and Gynecology of the Indiana University School of Medicine. They will have 1 day per week assigned to outpatient clinic responsibilities of which one half day will be their own continuity clinic. The other half day will alternate weekly between a MIGS resident referral clinic at our county hospital and a gynecologic referral clinic at the VA Medical Center. They will have 3 surgery days per week. The fellow will be allowed one half day per week for administrative duties/research. The remaining half day will be split between didactics and assisting with resident education. There will be two Ob/Gyn night calls per month. Each fellow will be assigned or may choose a research mentor who will directly supervise the fellow's research projects. A presentation at our Resident/Fellow Research Day at the end of fellowship and presentations at the annual AAGL or ASRM meetings of the fellows' research projects will be a requirement of the fellowship. Publication will be mandatory.
