22nd Annual Advanced Workshop on Gynecologic Laparoscopic Anatomy & Minimally Invasive Surgery Including Laparoscopic Hysterectomy
May 31 - June 1, 2019
University of Louisville

GUEST FACULTY:

LOCAL FACULTY:
Megan A. Cesta, Nkiruka Chuba, Sean L. Francis, Daniel N. Ginn, Ronald L. Levine, Jonathan H. Reinstine, Lori L. Warren

Program Chair:
Resad P. Pasic
**Course Description**

This course is designed for gynecologists who desire to advance their laparoscopic skills. This extensive two-day course will expose the participants to the knowledge and expertise of FMIGS trained laparoscopic surgeons, who will guide them through didactics and hands-on laparoscopic suturing and cadaveric sessions.

No more than three participants are assigned to each cadaver and s/he is closely supervised by experienced faculty instructors. Each participant will have the opportunity to operate, assist, and observe in a rotational format to optimize their learning experience and suturing technique. The course will focus on demonstration of pelvic sidewall dissection, localization of the ureter and retroperitoneal blood vessels, preparation for laparoscopic hysterectomy, and laparoscopic cuff closure. We will also focus on pelvic floor reconstruction procedures concomitant to laparoscopic hysterectomy.

**Course Objectives**

At the conclusion of this activity, the participant will be able to: 1) Appraise skills learned to relevant pelvic anatomy and apply them to surgery including laparoscopic hysterectomy and pelvic floor surgery; 2) apply skills learned to pelvic sidewall dissection and illustrate retroperitoneal structures; 3) explain the ergonomics, theory, and rationale for reproducible laparoscopic suturing; 4) demonstrate measurable improvement in laparoscopic suturing skills and apply principles of laparoscopic suturing to fresh cadaver tissue; and 5) identify risk factors for laparoscopic complications and manage treatment of such.

**General Information**

**Target Audience**
This activity meets the needs of surgical gynecologists in practice and in training, as well as other healthcare professionals in the field of gynecology.

**Accreditation**
This course is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The AAGL designates this live activity for a maximum of 16.75 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Anti-Harassment Statement**
AAGL encourages its members to interact with each other for the purposes of professional development and scholarly interchange so that all members may learn, network, and enjoy the company of colleagues in a professional atmosphere. Consequently, it is the policy of the AAGL to provide an environment free from all forms of discrimination, harassment, and retaliation to its members and guests at all regional educational meetings or courses, the annual global congress (i.e. annual meeting), and AAGL-hosted social events (AAGL sponsored activities). Every individual associated with the AAGL has a duty to maintain this environment free of harassment and intimidation.

**Reporting an Incident**
AAGL encourages reporting all perceived incidents of harassment, discrimination, or retaliation. Any individual covered by this policy who believes that he or she has been subjected to such an inappropriate incident has three (3) options for reporting:

1. By toll free phone to AAGL’s confidential 3rd party hotline: (833) 995-AAGL (2245) during the AAGL Annual or Regional Meetings.
2. By email or phone to: The Executive Director, Linda Michels, at lmichels@aagl.org or (714) 503-6200.

All persons who witness potential harassment, discrimination, or other harmful behavior during AAGL sponsored activities may report the incident and be proactive in helping to mitigate or avoid that harm and to alert appropriate authorities if someone is in imminent physical danger.

For more information or to view the policy please go to: tps://www.aagl.org/wp-content/uploads/2018/02/AAGL-Anti-Harassment-Policy.pdf

**Conflict of Interest**
It is the policy of the AAGL to ensure balance, independence, objective, and scientific rigor in all sponsored educational programs. All faculty participating in continuing medical education activities are required to complete a conflict of interest disclosure form. This information will be printed in the syllabus which will be distributed at the workshop. In addition, all participating faculty are required to disclose to the audience any real or apparent conflict of interest related to the content of their presentations and must also disclose any discussions of unlabeled/unapproved uses of drugs or devices.

**ACCME Content Validation Statement**
All the recommendations involving clinical medicine in the program are based on evidence that is accepted within the field of medicine as adequate justification for their indications and contraindications in the care of patients. All scientific research referred to, reported, or used in the program in support or justification of a patient care recommendation conforms to the generally accepted standards of experimental design, data collection and analysis.

**Location**
The workshop will be held at:
University of Louisville
Health Science Center, Building B
500 S. Preston Street
Louisville, Kentucky 40202

**Lodging**
Fairfield Inn & Suites
100 E. Jefferson Street
Louisville, Kentucky 40202

**Room Rate**
Please use the following link to book your room at a special discounted rate of $133.00 Single/Double occupancy, plus state/local taxes. Reservations must be received on or before **Thursday, May 9, 2019**. Make your reservations in advance as the city is very popular this time of year.

Click here to make your reservations.

The AAGL wishes to thank those individuals who donated their bodies and tissue for the advancement of education and research.

Register online at: https://louisville.aagl.org/

Annual AAGL Member Dues are $375 for practicing physicians. If you are not a current member of the AAGL, by attending this workshop and paying the non-member fee, you are eligible for a 1-year membership to the AAGL. To accept this offer, simply check the membership offer button during your online registration. You will not be charged an additional fee – your Member Dues are built into your non-member registration fee. Please visit www.aagl.org to review the Guide to AAGL Member Benefits.

**Cancellation**
Cancellations received prior to April 30, 2019 will be refunded minus $125 for administrative fees. No refunds will be made after this date.

In the event that this course is cancelled for any reason, attendees will be notified of course cancellation no later than two weeks prior to scheduled dates and a full refund will be issued. Attendees are responsible for canceling their own hotel and airline reservations.
